Société canadienne du cancer

Dear Sachin,

Thank you for your donation to fight cancer.

As I write this letter to you, Canada's best researchers are working tirelessly towards the next breakthrough in cancer prevention, diagnosis and treatment to save more lives. For those battling cancer today, our Information Specialists are providing the information and support they urgently need to fight this disease and our volunteers are driving them to treatment.

All of this is happening right now because of you.

Thanks to you, we are moving ever closer to a day when no one need fear a diagnosis of cancer. You are a crucial link in the chain of hope that connects yesterday's groundwork to today's discoveries and tomorrow's victories. We couldn't do it without you.

If at any time you would like to receive additional information about our work and how you can help, please contact Donor Services at 1 800 268-8874, extension 2034 or donorservices@ontario.cancer.ca.

Thank you for supporting the fight for life.

Sincerely,
